- SQL for Data Science at UC Davis (2023)

ACCOMPLISHMENTS

- **Vice President for Development | Core PH**
Developed strategies for executing and organizing the leadership events we create to make the participants enjoy and learn at the same time. I also guide my fellow officers on how to implement the strategy that would improve the result of the events. I maintain the connection between all the officers to increase teamwork efficiency.
- **Project Manager | IET SOCIETY AT RTU**
Supervised the execution of the projects to achieve a low level of inefficiency. Participated in the decision-making during the strategic planning that helped the students in our course BSIE.
